SOFTWARE ENGINEER

PROFESSIONAL SUMMARY

Software Engineer with 4+ years of experience designing, developing, and maintaining scalable web applications across frontend and backend systems. Strong expertise in React, Angular, Django, Flask, Node.js, Docker, and RESTful API development. Experienced in system design principles, database management, and performance optimisation. Currently preparing for the AWS Certified Solutions Architect – Associate (SAA-C03). Proven ability to deliver production-ready applications in agile environments.

TECHNICAL SKILLS

- Languages: JavaScript, TypeScript, Python, HTML5, CSS3
- Frontend: React, Next.js, Angular, Astro, Tailwind CSS, MUI
- Backend: Django, Flask, Node.js, Express.js
- Databases: PostgreSQL, MySQL, MongoDB
- Cloud & DevOps: Docker, Git, GitHub, CI/CD
- Concepts: REST APIs, Microservices, Authentication & Authorization, System Design, Performance Optimisation, Responsive Design
- Testing: Jest, React Testing Library, Playwright

PROFESSIONAL EXPERIENCE

Software Engineer – Tranarc (Jan 2022 – Present)

- Design and develop full-stack web applications using React, Angular, Django, and Flask.
- Build scalable RESTful APIs and backend services supporting multi-user systems.
- Containerise applications using Docker for consistent development and deployment environments.
- Improve application performance through lazy loading, code splitting, and query optimisation.
- Collaborate in agile teams, participating in code reviews and technical discussions.

Front-End Developer Intern – Tranarc (Aug 2021 – Dec 2021)

- Supported senior engineers in building responsive and high-performance web applications.
- Integrated RESTful APIs into frontend components for dynamic data rendering.
- Developed an interactive React-based application that improved user engagement by 20%.

EDUCATION

Bachelor of Science (B.Sc.), Computer Science — University of Uyo, Akwa Ibom State, Nigeria

CERTIFICATIONS

- AWS Certified Solutions Architect – Associate (SAA-C03) — In Progress
- Meta Front-End Developer Professional Certificate – Meta
- Developing Back-End Applications with Node.js and Express – IBM
- IBM Full Stack Software Developer Professional Certificate – In Progress
